The regional director will inform the requesting credit union, in writing, of the date the request was received and of any additional documentation that the regional director requires in support of the request. If the regional director approves the request, the regional director will establish a limit on the investment or activity as appropriate and subject to the limitations in this part. If the regional director does not notify the credit union of the action taken on its request within 60 calendar days of the receipt of the request or the receipt of additional requested supporting information, whichever occurs later, the credit union may proceed with its proposed investment or investment activity.

(d) *Appeal to NCUA Board.* A federal credit union may appeal any part of the determination made under paragraph (c) to the NCUA Board by submitting its appeal through the regional director within 30 days of the date of the determination.
